National Park Service Weddings/Receptions

A visit to the park is highly recommended prior to finalizing your plans in order to decide on a site for your wedding. Attached is a list of possible sites along with group size restrictions. For additional questions contact the Concession Management office at (559) 565-3106.

The wedding permit does not allow your ceremony to restrict other park visitor's from your chosen location nor does it guarantee you a specific site. It is recommended that you avoid sites that attract a large number of visitors, or schedule your ceremony for early or late in the day. By doing so, your wedding will have more privacy. Maximum time allowed for outdoor events is three hours. Wedding permits will not be issued for heavy use periods—Memorial Day weekend, Fourth of July, and Labor Day weekend.

Receptions may be held only in concessioner facilities or private property. Kings Canyon Park Services Company have facilities in Grant Grove and Cedar Grove. Delaware North Companies Parks & Resorts at Sequoia have facilities in Lodgepole (summer only) and Wuksachi.
